2. BACKGROUND

Kindergarten, known as kindy, is a part-time educational program for children in the year before Prep. Kindy is 15 hours per week, 40 weeks per year and is free for Queensland children attending a government-approved kindergarten program.

Queensland Kindergarten Funding provides per capita funding to Approved Kindergarten Program Providers (KPP) as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program.

As an approved provider, Peregian Beach College Early Learning Centre holds a current Queensland service approval for a centre-based service, under the Education and Care

PEREGIAN BEACH COLLEGE

Early Learning Centre

Peregrine Beach College Early Learning Centre manages all payments through XAP Child Care Management System and PayChoice. XAP enables the electronic transfer of any Child Care Subsidy due from Centrelink.

To enable us to access this information we need you to provide your Customer Reference Number (CRN) and Date of Birth (DOB) and each child's CRN and DOB on the Enrolment form. If we have the required information, you will be charged the total amount payable for the nominated period, less any Child Care Subsidy (CCS) entitlement.

Fees are payable for all booked days, including absent days, public holidays, school holidays, sick days and family holidays.

Please ensure that you have sufficient funds available in your account. Unfortunately, the non-payment of accounts may result in your child's enrolment being cancelled.

6. GOVERNMENT SUBSIDIES & REBATES

Peregrine Beach College Early Learning Centre is able to work with families to secure significant rebates on their fees for childcare. Our registration process captures data to compare against eligibility criteria to determine the level of benefits a family receives. There are several schemes available to families including, but not limited to Child Care Subsidy (CCS). The percentage of the benefit received is determined by criteria including a family's level of income, the hours of parent/guardian activity (e.g. work/study) and the type of service the child attends. We are able to automatically lodge claims on behalf of parents/guardians.

7. KINDY FUNDING

From 1st January 2024, all Queensland families are eligible to free kindy for 15 hours per week, 40 weeks per year. Kindy children will be enrolled for a 10-hour day, therefore 5 hours each day (for 3 days per week, 40 weeks per year enrolments) will be charged accordingly, taking into account any CCS entitlements.

8. NON-PAYMENT OF FEES

If a debit is rejected for any reason, the parent/guardian will be contacted, and if no manual payment is received, the system will automatically include the missed payment on the next scheduled payment.

Where a debit is rejected a second time the following process will be followed:

- An initial reminder notice will be sent to parents/guardians with an updated specified payment date.
- Where payment is still not received, families will be invited to discuss the range of support options available and establish a payment plan.
- Failure to discuss, and continued non-payment may result in a second and final notice notifying parent/guardians that the child's place at the service may be withdrawn unless payment is made, or a payment plan entered within a specified period.
- The Peregrian Beach College Early Learning Centre will continue to offer support and will reserve the right to employ the services of a debt collector.

Where a debit is rejected three or more times:

- If after three or more missed direct debits and we have been unable to contact and/or reach a satisfactory agreement with the parent/guardian, a decision may be made to withdraw a child's place at the service.
- Peregrian Beach College Early Learning Centre reserves the right to immediately withdraw the enrolment without further notice to the parent/guardian.
